Congratulations to **Clearfield City** and Davis County! **ACS Manufacturing, INC**, a manufacturer that designs and builds acoustical equipment enclosures—specifically for backup generators used in data centers, hospitals, and other critical industries—has announced plans to expand operations in the region. The company plans to create 223 new jobs in Davis County and invest \$34.1 million in Utah over the next 10 years.

“As demand for our products continues to accelerate at a rapid pace, expanding our manufacturing operations in Utah is a strategic step forward,” said **Dan Knox**, CEO of ACS. “Utah offers a unique and compelling business environment, including its proximity to key customers and a deep pool of highly skilled labor. But what truly sets Utah apart is the exceptional work ethic of its people. We’re excited to invest in a region that shares our commitment to quality, innovation, and excellence in everything we do.”

Jeff Richards of **CBRE** Salt Lake City, who represented ACS Manufacturing during the project, brought the project lead to EDCUtah. EDCUtah worked closely with the project team to support the decision-making process and connected the company with key state and local partners.

“Clearfield City is thrilled to welcome ACS Manufacturing’s expansion,” said **Mark Shepherd**, mayor of Clearfield City. “This expansion will bring 200+ new jobs to our city and is a testament to our shared vision to strengthen Clearfield. We’re honored to be the home of the expansion and look forward to their continued success.”

The company’s announcement was the result of a collaboration among **Spencer W. Brimley** of Clearfield City, **Davis County Government**, EDCUtah, the **Utah Governor’s Office of Economic Opportunity**, and the **Northern Utah Economic Alliance (NUEA)**.

RESOLUTION NO. 26-20

A RESOLUTION OF THE TREMONTON CITY COUNCIL AUTHORIZING APPLICATION TO THE UTAH MAIN STREET PROGRAM UNDER THE MAIN STREET AMERICA NETWORK; ADOPTING THE MAIN STREET FOUR-POINT APPROACH AS THE FRAMEWORK FOR DOWNTOWN REVITALIZATION; AND APPOINTING KELLY WOOD AS TREMONTON CITY MAIN STREET DIRECTOR

WHEREAS, Tremonton City possesses a historic downtown commercial core that is central to the community's identity, economic health, and long-term vitality; and

WHEREAS, the Tremonton City Council has identified downtown revitalization as a strategic priority, and has established a Community Development Area (CDA) under its Redevelopment Agency (RDA) with dedicated funding available through 2032 to support capital investments, economic development, and organizational capacity in the downtown district; and

WHEREAS, a community survey conducted by the City found that approximately 83% of respondents expressed support for downtown revitalization efforts, demonstrating broad public backing for a structured, sustained revitalization program; and

WHEREAS, Main Street America is a nationally recognized nonprofit organization that has, since 1977, supported the economic revitalization and cultural preservation of traditional commercial districts through its comprehensive Four-Point Approach encompassing Economic Vitality, Design, Promotion, and Organization; and

WHEREAS, the Utah Main Street Program ("UMS"), administered through the Utah State Historic Preservation Office, is the state-affiliated partner of Main Street America and provides technical assistance, training, peer network access, and accountability structures to designated Main Street communities in Utah; and

WHEREAS, the UMS Four-Point Approach has been demonstrated to produce measurable economic outcomes in comparable Utah communities, and participation in the program provides an external framework of accountability, best practices, and peer learning that previous revitalization efforts in Tremonton have lacked; and

WHEREAS, Chelsea Gauthier, UMS Program Manager, has confirmed that Tremonton City is well-positioned to enter the program and has been anticipating the City's application, and that the recommended organizational model for an initial phase is a city-employed Main Street coordinator, with an optional future transition to an independent 501(c)(3) nonprofit organization as the program matures and organizational capacity develops; and

WHEREAS, Kelly Wood has been identified and selected as a qualified individual to serve as Tremonton City's Main Street Director, possessing the time commitment, community relationships, and professional capacity necessary to lead the program effectively; and

WHEREAS, the City Council finds that authorizing application to the Utah Main Street Program, appointing a Main Street Director, and committing the resources necessary to support the program's success is in the best interest of the City and its residents;

NOW, THEREFORE, BE IT RESOLVED by the City Council of Tremonton City, Utah, as follows:

Section 1. Authorization to Apply. The Tremonton City Council hereby authorizes and directs the Mayor, or the Mayor's designee, to submit a formal application to the Utah Main Street Program on behalf of Tremonton City for designation as a Utah Main Street community. The Mayor is further authorized to execute all agreements, certifications, memoranda of understanding, and other documents required by the Utah Main Street Program or Main Street America in connection with such application and designation.

Section 2. Adoption of the Main Street America Four-Point Approach. The City Council hereby adopts the Main Street America Four-Point Approach — consisting of the areas of Economic Vitality, Design, Promotion, and Organization — as the governing framework for the City's downtown revitalization efforts. City staff, the Main Street Director, and all associated committees shall conduct their work in alignment with this framework and in compliance with the standards established by Main Street America and the Utah Main Street Program.

Section 3. Appointment of Main Street Director. Kelly Wood is hereby appointed as the Tremonton City Main Street Director. The Main Street Director shall serve as the primary staff lead for all activities related to the City's Utah Main Street Program designation, including but not limited to coordinating the Four-Point Committees, liaising with Utah Main Street Program staff, managing downtown revitalization initiatives, and reporting program progress to the City Council. The appointment of the Main Street Director shall initially be structured as a city-employed position, with compensation to be funded through the City's Redevelopment Agency in a manner consistent with applicable law and RDA guidelines, as confirmed with program and legal counsel.

Section 4. Organizational Structure and Transition. The City Council acknowledges that the long-term organizational model for the Tremonton Main Street Program may optionally include a transition from city-administered operations to an independent 501(c)(3) nonprofit organization, with the City serving as a primary funding partner. Should the City Council elect to pursue such a transition, the City Council directs staff and the Main Street Director to develop and present a transition plan and timeline consistent with Utah Main Street Program requirements and the City's RDA funding window through 2032.

Section 5. City Council Commitment and Support. The City Council commits to providing ongoing institutional support for the Tremonton Main Street Program, including appropriate representation on the Main Street Board of Directors, participation in required training and reporting, and the annual appropriation of funds necessary to sustain program operations and capital investment activities during the Community Development Area funding period through 2032. The City Council recognizes the urgency of front-loading meaningful capital investments in the downtown district during this funding window.

Section 6. Effective Date. This Resolution shall take effect immediately upon adoption by the Tremonton City Council.

ADOPTED AND PASSED by the governing body of Tremonton City Corporation on this 5th Day of May, 2026.

RESOLUTION NO. 26-21

A RESOLUTION OF THE TREMONTON CITY COUNCIL EXPRESSING FULL SUPPORT FOR CONGRESSMAN BLAKE MOORE'S EFFORT TO RENAME THE TREMONTON CITY POST OFFICE TO THE "SORENSEN ESTRADA POST OFFICE"

WHEREAS, Sergeant Sorenson and Officer Estrada served the residents of Tremonton City with honor, dedication, and courage;

WHEREAS, both officers made the ultimate sacrifice in the line of duty, leaving behind families, fellow officers, and a community forever marked by their loss;

WHEREAS, the residents of Tremonton have rallied in grief, in gratitude, and in unwavering support for the families of Sergeant Sorenson and Officer Estrada and for the Tremonton Police Department;

WHEREAS, Congressman Blake Moore has initiated federal legislation to rename the Tremonton City Post Office to the "Sorenson Estrada Post Office" as a permanent tribute to their sacrifice;

WHEREAS, the authority to rename a federal building rests solely with the United States Congress, and the City of Tremonton desires to formally express its support for Congressman Moore's effort;

NOW, THEREFORE, BE IT RESOLVED by the Mayor and City Council of Tremonton City, Utah, that:

1. The City of Tremonton fully and unanimously supports Congressman Blake Moore's effort to rename the Tremonton City Post Office to the "Sorenson Estrada Post Office."
2. The Mayor is authorized to communicate this resolution to Congressman Moore and any relevant federal authorities in support of this legislation.
3. This resolution shall be entered into the official record of Tremonton City.

ADOPTED AND PASSED by the governing body of Tremonton City Corporation on this 5th Day of May, 2026.

RESOLUTION NO. 26-22

A RESOLUTION OF TREMONTON CITY CORPORATION SELECTING HEALTH INSURANCE CARRIERS AND DEFINING THE CITY'S CONTRIBUTION FOR HEALTH INSURANCE EMPLOYEE BENEFITS FOR THE 2026-2027 FISCAL YEAR

WHEREAS, Tremonton City provides, and the Affordable Health Care Act requires, certain health-related benefits to its benefited employees and their dependents, as described in Section XVI: Benefits, Item 7. Insurance, sub-items A. Medical Health, Dental, and Vision Insurance, and B. Life Insurance, of the Tremonton City Personnel Policies and Procedures Manual; and

WHEREAS, each year, the City Council receives renewal rates from its current health insurance carriers and considers selecting insurance carriers associated with providing benefited employees the aforementioned health insurance for the upcoming fiscal year; and

WHEREAS, each year, the City Council selects health insurance carriers and formalizes the City's financial contribution towards the aforementioned health insurances for benefited employees for the upcoming fiscal year as defined through the adoption of a Resolution.

NOW, THEREFORE, be it resolved by the Tremonton City Council that Tremonton City selects the following insurance carriers and defines the City's contribution for employee benefits for the 2026-2027 Fiscal Year for benefited employees as follows:

MEDICAL INSURANCE

2026-2027 Medical Insurance for Full-Time Employees. The City Council designates Select Health as the insurance carrier for employees who work a minimum of at least 40 hours per week (hereafter "full-time employees").

Full-time employees may elect one of the following plan types from Select Health:

- Traditional Health Plan: Value Gold 75% \$1,000 Deductible (No change in carrier).
- High Deductible Plan with Health Savings Account: Value Silver HDHP 70% \$3,500 Single Deductible (No change in carrier).

Tremonton City will pay 90% of the premiums for medical insurance, with full-time employees paying the remaining 10% of premiums.

2026-2027 Mayor and City Council Benefit Stipend. The City will provide a benefit stipend that is taxable through payroll to the Mayor and City Council for medical insurance coverage comparable to full-time City employees. The benefit stipend paid to the Mayor and City Councilmembers will be equal to 90% of the premium paid on one of the following health insurance plans: health insurance marketplace, medicare health insurance, or employer-sponsored health insurance.

Health Insurance Marketplace. The Mayor and City Council will coordinate their Health Insurance Marketplace medical insurance coverage with the City's Human Resource Director to select medical

insurance coverage similar to medical insurance coverage offered to full-time employees. The Mayor and City Councilmembers who receive medical insurance through the Marketplace will receive a benefit stipend taxable through payroll equal to 90% of their premiums at a frequency determined by the Human Resource Director. The City's contribution of paying 90% of their premium includes paying 90% of any amount owed by the Mayor or City Councilmembers enrolled in a medical insurance plan through the Health Insurance Marketplace after reconciling the Mayor or City Councilmembers' actual taxable income for the year compared to their estimated income and the health insurance premium subsidies calculated based on their estimated income.

Medicare Health Insurance. The Mayor and City Councilmembers who are Medicare eligible cannot receive medical insurance through the Health Insurance Marketplace and will need to receive medical insurance through Medicare. The Mayor and City Councilmembers who are Medicare eligible will coordinate their Medicare insurance coverage with the City's Human Resource Director to select medical insurance coverage similar to those offered to full-time employees. The Mayor and City Councilmembers who receive medical insurance through Medicare will receive a benefit stipend taxable through payroll equal to 90% of their premiums at a frequency determined by the Human Resource Director.

Employer-Sponsored Health Insurance. The Mayor and City Councilmembers who are insured through an employer-sponsored group medical plan will coordinate their insurance coverage with the City's Human Resource Director to select medical insurance coverage similar to those offered to full-time employees. The Mayor and City Councilmembers who receive medical insurance through an employer will receive a benefit stipend taxable through payroll equal to 90% of their premiums at a frequency determined by the Human Resource Director.

HEALTH SAVINGS ACCOUNTS

The City designates HealthEquity as Health Savings Account administrators for full-time employees that select the High Deductible Health Plan. Tremonton City will provide to full-time employees that elect the High Deductible Health Plan a contribution of the following into their Health Savings Account for the 2026-2027 Fiscal Year:

- Single - \$1,300.
- Employee and Spouse - \$1,900.
- Employee and Children - \$1,900.
- Family - \$2,400.

The employees' Health Savings Account contribution shall be divided into two payments, with one occurring in July 2026 and the other payment occurring in January 2027. Full-time employees who enroll on the City's insurance mid-year will receive a pro-rated contribution, as calculated by the Human Resource Director, to their Health Savings Account during the month their benefits become effective. The City shall pay the costs annually for the basic administrative fees associated with the Health Savings Account. Optional administration fees associated with the Health Savings Account, such as debit cards, will be paid 100% by the benefited employee.

DENTAL AND EYE INSURANCE

The City designates EMI Health as the dental insurance carrier and Eye Med Vision Benefits for eye

insurance for the full-time employees, Mayor, and City Council. The City will pay 90% of dental and eye insurance premiums, with the employees paying the remaining 10% of premiums.

LONG TERM DISABILITY, AD&D, AND LIFE INSURANCE

The City designates Standard as the insurance carrier for Accidental Death and Dismemberment and Basic Life Insurance Benefits as the life insurance carrier for full-time employees, Mayor, and City Council. Long Term Disability benefits are limited to only full-time employees. The City will pay 100% of the premiums for Long Term Disability, Accidental Death and Dismemberment (AD&D), and Basic Life Insurance. The City will determine the plan design and benefits offered for long-term disability, AD&D, and basic life insurance, for which the City pays 100% of the premiums. Full-time employees, Mayor, and City Councilmembers may elect to voluntarily supplement their life insurance policy as allowed by the insurance carrier, for which the employee will be responsible for 100% of the cost of the premiums.

CAFETERIA PLAN

The City selects National Benefits Services as the City's third-party administrator for the Cafeteria Plan (also known as Flex Spending Account) Benefit. Tremonton City shall also provide the option to full-time employees, Mayor, and City Council to participate in a Cafeteria Plan with a maximum cap set for healthcare at \$3,400 and daycare at \$7,500 annually, or up to the IRS maximums, with the City paying the basic administrative fees associated with the Cafeteria Plan. Optional administration fees associated with the Cafeteria Plan, such as debit cards, will be paid 100% by the benefited employee.

VOLUNTARY PRODUCTS

The City selects Allstate Benefits for voluntary products, including Voluntary Accident Plan and Voluntary Critical Illness Plan. The City selects Legal Shield as another voluntary product. Tremonton City will *not* participate in the funding of premiums for any voluntary insurance plans noted in this section; however, the City will provide administrative support by deducting the premiums from employees' paychecks for employees who voluntarily elect to have this insurance coverage.

INTERPRETATION

The City Council authorizes and directs the Human Resource Director and City Manager to interpret this Resolution to resolve any contradictions, ambiguities, or unknown circumstances that are not addressed within this Resolution. The Human Resource Director and City Manager's interpretations and decisions are final and are not subject to appeal.

SAVING CLAUSE

The purpose of this Resolution is to select health care insurance carriers and to define the City's financial contribution for employee premiums for benefited employees. The exact details of insurance coverage and benefits are determined by the plan design, insurance carrier, and other City policies. This Resolution and benefits outlined *are not and shall not* be construed as an explicit or implied contract.

ADOPTED AND PASSED by the City Council of Tremonton, Utah, this 5th day of May 2026. Resolution to become effective upon adoption.

RESOLUTION NO. 26-23

RESOLUTION OF TREMONTON CITY CORPORATION ADOPTING THE TENTATIVE BUDGET ENTITLED “THE TREMONTON CITY TENTATIVE IMPLEMENTATION BUDGET 2026-2027 (GENERAL FUND, CAPITAL FUND(S), ENTERPRISE FUND(S), AND SPECIAL FUND(S)” FOR THE PERIOD COMMENCING JULY 1, 2026 AND ENDING JUNE 30, 2027

WHEREAS, the City’s Department Heads prepared and presented their proposed budget and budget requests for the FY 2026-2027 to the City Manager, who is statutorily designated as the Budget Officer; and

WHEREAS, the City Manager has reviewed the budget requests of the Department Heads; and

WHEREAS, in accordance with Part 3-925 (1) (d) of Tremonton City Corporation Revised Ordinance, the City Manager has prepared a balanced Tentative Budget; and

WHEREAS, Tremonton City has caused a public hearing notice to be published on the Public Notice Website, Tremonton City’s Website, and three different locations in Tremonton City, on Friday, April 17, 2026, giving notice that the Tremonton City Council would consider adopting the Tremonton City Annual Implementation Budget 2026-2027 General Fund, Special Fund(s), Capital Fund(s), and Enterprise Fund(s); and

WHEREAS, Tremonton City has caused a copy of the proposed Tentative Budget to be available for public inspection during regular business hours in the office of the Tremonton City Recorder, 102 South Tremont Street, Tremonton, Utah; and

WHEREAS, the Tremonton City Council held a public hearing on May 5, 2026, in conjunction with the approval of the Tentative Budget, and

WHEREAS, the Tremonton City Council has considered all written and oral statements made at the public hearing objecting to or supporting the City’s plan to adopt the Tentative Budget.

NOW, THEREFORE, BE IT RESOLVED, by the Tremonton City Council that the Tremonton City Tentative Implementation Budget 2026-2027 as contained in Exhibit “A” is hereby adopted for the fiscal year commencing July 1, 2026, and ending June 30, 2027.

Adopted and passed by the governing body of Tremonton City this 5th day of May 2026.

RESOLUTION 26-24

A RESOLUTION APPOINTING LINSEY NESSEN AS A MEMBER OF THE UTAH TELECOMMUNICATION OPEN INFRASTRUCTURE AGENCY (UTOPIA) BOARD OF DIRECTORS AND APPOINTING JAMI HEINER AS AN ALTERNATE MEMBER OF THE UTOPIA BOARD OF DIRECTORS

WHEREAS, on April 30, 2002, the Tremonton City Council adopted Resolution No. 02-06 authorizing the City to enter into an Interlocal Cooperative Agreement to form the Utah Telecommunication Open Infrastructure Agency (UTOPIA), to become a member of UTOPIA and to appoint a member of the Boards of Directors; and

WHEREAS, since 2009 Tremonton City has had a representative serving as a member of the UTOPIA Board of Directors representing Tremonton City; and

WHEREAS, state law and local ordinance requires the appointment of a member of the UTOPIA Board of Directors with the advice and consent of the City Council; and

WHEREAS, it is recommended that the City Council appoints Linsey Nessen as Tremonton City representative serving on the UTOPIA Board of Directors; and

WHEREAS, it is recommended that the City Council appoint an alternate Tremonton City representative serving on the UTOPIA Board of Directors when Linsey Nessen is unable to attend or participate in a UTOPIA Board of Directors Meeting; and

WHEREAS, it is recommended that Jami Heiner be appointed to serve as an alternate member of the UTOPIA Board of Directors.

NOW THEREFORE BE IT RESOLVED that the City Council hereby appoints Linsey Nessen as a member of the UTOPIA Board of Directors and appoints Jami Heiner as an alternate member of the UTOPIA Board of Directors.

Adopted and passed by the governing body of Tremonton City on this 5th day of May, 2026. Resolution to become effective upon adoption.

RESOLUTION NO. 26-25

A RESOLUTION APPROVING A MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN WEST LIBERTY FOODS (WLF), AND THE TREMONTON FIRE DEPARTMENT FOR HAZ MAT RESPONSE

WHEREAS, the Tremonton City Fire Department (hereinafter “Tremonton Fire”) provides Hazardous materials, fire and emergency medical services within the jurisdiction of Tremonton City and surrounding areas; and

WHEREAS, West Liberty Foods, has requested to enter a MOU with Tremonton Fire for the provision of Haz Mat response to support West Liberty Foods safety plan for the next 5 years

WHEREAS, the proposed agreement outlines the terms and responsibilities related to the safe and response to emergencies, specifically Hazardous material spills and incidents of that nature; and

WHEREAS, the Tremonton City Council finds that entering into this agreement is in the best interest of public health, safety, and welfare and supports the mission of the Tremonton Fire Department to provide high-quality Haz Mat response;

NOW THEREFORE BE IT RESOLVED by the City Council of Tremonton, Utah as follows:

APPROVAL OF AGREEMENT. The City Council hereby approves the MOU between West Liberty Foods, and the Tremonton Fire Department, as presented and reviewed in Exhibit “A”.

AUTHORIZATION TO EXECUTE. The Mayor is hereby authorized to execute the MOU on behalf of Tremonton City, with such minor modifications as may be necessary and approved by the City Attorney and Fire Chief, provided such modifications do not materially alter the substance of the agreement.

Adopted and passed by the governing body of Tremonton City this 5th day of May, 2026. Resolution to become effective upon adoption.

ATTEST:

Cynthia Nelson, Recorder

EXHIBIT "A"

MEMORANDUM OF UNDERSTANDING BETWEEN THE CITY OF TREMONTON AND WEST LIBERTY FOODS, L.L.C.

This Memorandum of Understanding (the "MOU") is entered into on this ____ day of _____, 2026 ("Effective Date") by and between City of Tremonton (the "Fire Department"), a Utah municipality located at 95 S 100 W, Tremonton, UT 84337; and West Liberty Foods, L.L.C. (the "Organization"), a private limited liability company with its principal place of business at 705 N 2000 W Tremonton, UT 84337("Plant"). The Fire Department and the Organization are collectively referred to as the "Parties" and individually as a "Party."

RECITALS

WHEREAS, the Fire Department provides fire protection, emergency response, and related services within the City of Tremonton and surrounding areas;

WHEREAS, the Organization seeks to utilize a HAZMAT response team of the Fire Department to handle accidental release of hazardous chemicals or other HAZMAT emergencies;

WHEREAS, the Parties desire to establish a cooperative framework for the provision of fire protection and HAZMAT services by the Fire Department to the Organization, ensuring public safety while clarifying responsibilities, duration, renewal, and financial arrangements;

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

1. Purpose and Scope. The purpose of this MOU is to establish a clear, coordinated plan for emergency response to hazardous materials incidents at the Plant, and to coordinate the Fire Department's efforts in responding to HAZMAT emergencies in compliance with OSHA's HAZWOPER standard (29 C.F.R. §1910.120) and applicable Utah law. The scope includes:

- a. Pre-incident planning and training.
- b. Response to the HAZMAT technician level as defined in NFPA 470 of the Fire Department.
- c. Reimbursement of the Fire Department for supplies used during any incident.
- d. The Parties may enter into separate agreements for specific projects if needed.

2. Duties of the Parties.

a. *Fire Department:*

- i. Provide emergency response assistance to hazardous materials releases at the Plant, including chemical, flammable, explosive, or toxic materials.
- ii. Provide incident command and mitigation during a hazardous materials emergencies, consistent with the Fire Department's training and capabilities.
- iii. Coordinate with Plant personnel during pre-incident planning and during any emergency. Participate in annual site walkthroughs and coordination meetings.
- iv. Review facility hazards and safety data sheets (SDSs) provided by the Plant.
- v. Coordinate with the Organization on response protocols and notifications.

b. *Organization:*

- i. Provide timely access to facilities/sites and relevant information (e.g., site plans, hazardous materials lists).
- ii. Comply with all Fire Department recommendations and local fire codes.
- iii. Notify the Fire Department of any scheduled activities requiring services at least 14 days in advance.
- iv. Provide calibrated Monitoring Equipment for the target Hazards associated with operations at the facility for use by the Fire Department during emergency responses
- v. The Plant shall indemnify, defend, and hold harmless the Fire Department, its officers, employees, agents, and volunteers from and against any and all claims, demands, actions, damages, liabilities, losses, costs, and expenses (including reasonable attorney fees) arising out of or related to (i) the Plant's operations, facilities, equipment, hazardous materials, or activities; (ii) any condition of the Plant's property; or (iii) the negligent or wrongful acts or omissions of the Plant, its officers, employees, contractors, or agents.
- vi. Organization further acknowledges that it is ultimately responsible for the safety and well-being of the Plant, including responding to and preventing emergency situations. Organization and Fire Department are entering into this MOU for the sole purpose of ensuring proper coordination and training between Organization and Fire Department and nothing in this MOU shall be construed to shift any responsibility from Organization in responding to any emergency situation at the Plant to the Fire Department.

c. Dispatch and Communications:

- i. The Organization will immediately notify the Fire Department through central dispatch of any suspected hazardous materials release requiring emergency assistance.
- ii. The Fire Department will respond according to its standard emergency-response protocols.
- iii. Both parties will maintain 24/7 communication capabilities.
- iv. A unified incident command structure (ICS) will be used during emergencies.

d. Documentation and Recordkeeping:

- i. The Parties shall keep regular records of the following:
 1. Records of coordination meetings
 2. Training certifications (Fire Department)
 3. SDSs and hazard inventories (Organization)
 4. Incident reports for any emergency response consistent with ordinary practices of the Fire Department

3. Term. This MOU shall be effective as of the date first written above and shall remain in full force and effect for an initial period of 5 year ending on _____, unless terminated earlier as provided herein. The Parties may extend services beyond this term through mutual agreement.

4. Renewal. This MOU may be renewed for additional periods of 1 year upon mutual written agreement of the Parties. To initiate renewal:

- a. Either Party may request renewal in writing at 60 days prior to the expiration of the current term.
- b. The Parties shall meet to review performance, update terms if necessary, and execute an amendment or new MOU.
- c. If no agreement is reached by the expiration date, the MOU shall terminate automatically without further notice.
- d. Amendments to this MOU during the term or renewal must be in writing and signed by authorized representatives of both Parties.

5. Cost of Services and Donation. The Organization shall reimburse the Fire Department for the costs associated with providing services under this MOU as follows:

a. *Initial Payment:* Upon execution of this MOU, the Organization shall donate to the Fire Department **\$10,000** for the purchase of personal protective equipment (PPE) and other equipment, including but not limited to _____, and related equipment necessary for the mitigation, monitoring, and containment of hazardous chemical incidents.

b. *Annual Maintenance Payment (Years 1–5):* For each of the first five (5) years following the Initial donation, the Organization shall donate to the Fire Department an annual amount of **\$2,000** for the maintenance and replacement of equipment (including but not limited to Level A suits with a 10-year shelf life, sensors with a two- to three-year shelf life, and calibration of monitoring equipment). This cost would be capped at \$10,000 for the first 5 years after which this MOU will be revisited by the Parties.

c. *Additional Reimbursements (Years 1–5):* If, in any of the first five (5) years, the actual cost of materials or equipment consumed or damaged during an incident response exceeds the \$2,000 annual maintenance donation for that year, the Fire Department shall provide the Organization with an itemized invoice of such excess costs. The Organization shall reimburse the Fire Department for these documented excess costs. This cost would count toward the \$10,000 cap on annual donations for the first 5 years. Notwithstanding, the \$10,000 cap shall not cap or limit the Organization’s obligations for reimbursement of excess costs.

6. Protocols. The parties further agree as follows:

a. Fire Department provides emergency response services within Tremonton in accordance with applicable law, policy, and operational discretion, regardless of whether any MOU is in effect. This MOU shall not be construed to create any additional duty, obligation, or standard of care on the part of the Fire Department, nor shall it be interpreted to grant Organization priority, preference, or guaranteed response over any other emergency, incident, or call for service to which the Fire Department may respond. Fire Department may continue to adopt policies and procedures for responding to various incidents, emergencies, or calls and this MOU may or may not be considered in adopting any relevant policies or procedures.

b. In responding to any emergency or incident under this MOU, the Fire Department shall determine operational strategy and tactics in its sole professional discretion. Consistent with generally accepted fire service standards and applicable law, the Fire Department shall prioritize life safety and the preservation of human life over the protection of property. Nothing in this MOU shall be construed to require the Fire Department to take any action that, in its judgment, would unreasonably endanger its personnel or the public for the purpose of protecting property.

7. Termination. Either Party may terminate this MOU:
- a. Upon 30 days written notice to the other Party; or
 - b. Immediately upon material breach by the other Party, provided the breaching Party is given 10 days to cure the breach.
 - c. Upon termination, the Parties shall complete any ongoing services and settle outstanding payments within 60 days.

8. Insurance and Indemnification. Each Party shall maintain adequate insurance coverage for its activities. The Organization agrees to indemnify and hold harmless the Fire Department from any claims arising from the Organization's use of the services, except for the Fire Department's gross negligence. The Fire Department provides no warranties regarding service outcomes.

9. No Waiver of Governmental Immunity. Nothing in this MOU shall be construed as a waiver by the Fire Department of any rights, defenses, or immunities provided under the Utah Governmental Immunity Act, Utah Code Ann. § 63G-7-101 et seq., or any other applicable federal, state, or local law. The Fire Department expressly retains all immunities, defenses, damage caps, and limitations of liability available to it as a governmental entity. No term of this Agreement shall be interpreted as consent to suit beyond that expressly provided by statute.

10. Governing Law. This MOU shall be governed by the laws of the State of Utah. Any disputes shall be resolved through mediation followed by litigation in Box Elder County courts.

11. Entire Agreement. This MOU constitutes the entire understanding between the Parties and supersedes all prior agreements. It may only be modified in writing signed by both Parties.

12. Severability. If any provision is held invalid, the remainder shall continue in full force.

IN WITNESS WHEREOF, the Parties have executed this MOU as of the date first above written.

AGENDA ITEM REQUEST FORM

Date of Meeting: Next available

Department: Police Department

Presenter: Chief Cordova

Time Needed to Present: 30 Min

1. ITEM TITLE: (How it should appear on the Agenda)

Consideration of a contract with Garland City for police services.

2. THE "PLAIN ENGLISH" SUMMARY:

(Write 1-2 sentences explaining what this does and WHY it matters to the average resident. This will be printed on the agenda.)

Example: "Amends the City Code to allow for 'Food Truck Fridays' in the downtown zone to encourage economic activity."

A contract with Garland City would help with funding and stability in our police department. We would provide this service to Garland for a yearly fee. This is clean and simple.

3. STRATEGIC GOAL ALIGNMENT:

(Which City Goal does this support?)

Fiscal Responsibility

Infrastructure & Growth

Public Safety

Community Engagement / Quality of Life

4. TYPE OF ACTION:

Consent Agenda (Routine/Contract/Appointment)

Strategic Business (Ordinance/Policy Change - Requires Public Input)

Work Session Only (Discussion/Update)

5. BUDGET IMPACT:

\$ It would add \$700,000 (Funding Source: Garland City)

RESOLUTION NO. 26-26

A RESOLUTION APPROVING AN INTERLOCAL AGREEMENT FOR POLICE SERVICES BETWEEN TREMONTON CITY AND GARLAND CITY

WHEREAS, Tremonton City and Garland City have previously participated in a joint interlocal agreement for the shared operation of a combined police department; and

WHEREAS, the Parties have determined that restructuring the existing arrangement is in the best interest of both communities to improve operational efficiency, enhance public safety, and provide long-term sustainability of police services; and

WHEREAS, the proposed Interlocal Agreement establishes Tremonton City as the sole owner, operator, and administrator of the Tremonton Police Department, with Garland City contracting for police services; and

WHEREAS, under the proposed Agreement, Tremonton City will assume responsibility for personnel, operations, equipment, and administrative oversight of the Police Department; and

WHEREAS, Garland City will transfer ownership of certain police-related assets, including vehicles and equipment, to Tremonton City as part of the restructuring; and

WHEREAS, the Agreement provides for comprehensive law enforcement services within Garland City, including patrol, investigations, traffic enforcement, community policing, and administrative oversight; and

WHEREAS, the Agreement establishes a defined compensation structure, including an annual payment from Garland City to Tremonton City for police services, subject to annual adjustments consistent with the Consumer Price Index; and

WHEREAS, the Agreement includes provisions for staffing, operational authority, financial accountability, and long-term sustainability of police services for both communities; and

WHEREAS, the Tremonton City Council has reviewed the proposed Interlocal Agreement and finds that entering into the Agreement is in the best interest of the residents of Tremonton City and promotes efficient and effective public safety services; and

WHEREAS, the Utah Interlocal Cooperation Act, Utah Code §11-13-101 et seq., authorizes municipalities to enter into interlocal agreements for the provision of governmental services; and

NOW, THEREFORE BE IT RESOLVED, that the Tremonton City Council hereby approves and authorizes the Mayor to execute the Interlocal Agreement for Police Services between Tremonton City and Garland City in substantially the form presented, and authorizes City staff to take all necessary actions to implement the Agreement, see Exhibit A.

ADOPTED AND PASSED by the City Council of Tremonton, Utah, this 5th day of May, 2026.
This Resolution shall become effective upon adoption and passage by the City Council.

TREMONTON CITY CORPORATION

EXHIBIT "A"

**INTERLOCAL AGREEMENT FOR POLICE SERVICES
BETWEEN TREMONTON CITY AND GARLAND CITY, UTAH**

RECITALS

WHEREAS, the Parties are currently parties to a certain interlocal agreement pursuant to the Utah Interlocal Cooperation Act, Utah Code § 11-13-101 et seq., for the combined police department serving both municipalities (the “Joint Police Department”); and

WHEREAS, under the prior interlocal structure, the Parties shared governance, administration, personnel, budgeting, and assets associated with the Joint Police Department; and

WHEREAS, the Parties have determined that it is in the best interests of their respective residents to restructure the existing arrangement so that Tremonton owns, houses, operates, and administers the police department as a department of Tremonton (the “Police Department”); and

WHEREAS, Garland desires to contract with Tremonton for the provision of law enforcement and related police services within Garland’s municipal boundaries pursuant to the authority granted under the Utah Interlocal Cooperation Act; and

WHEREAS, in connection with this restructuring, Garland desires to transfer and convey to Tremonton title to certain police-related assets previously held or jointly used by Garland in connection with the Joint Police Department, including vehicles, equipment, and other tangible personal property, upon the terms and conditions set forth herein; and

WHEREAS, Tremonton agrees to accept such assets and to assume full administrative responsibility for the ownership, management, supervision, budgeting, employment, and operation of the Police Department; and

WHEREAS, the Parties desire to terminate or supersede the prior joint interlocal arrangement and replace it with this Agreement, which establishes a contractual relationship whereby Tremonton shall provide law enforcement services to Garland in exchange for compensation as provided herein; and

WHEREAS, the governing bodies of Tremonton and Garland have each determined that entering into this Agreement is in the public interest and have authorized its execution in accordance with applicable Utah law.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

AGREEMENT

1. PURPOSE. The purpose of this Agreement is to provide comprehensive police services to Garland City through the Tremonton City Police Department in order to:

- a. Enhance public safety and officer safety
- b. Stabilize staffing levels
- c. Improve operational efficiency
- d. Promote fiscal responsibility
- e. Provide sustainable long-term law enforcement services.

2. SUPERSESSION AND REPLACEMENT. This Agreement supersedes, replaces, and terminates in its entirety that certain prior Interlocal Cooperation Agreement between the Parties providing for the joint ownership and operation of a combined police department (the “Prior Agreement”) entered into on _____, together with any and all amendments, addenda, or modifications thereto. As of the Effective Date of this Agreement, the Prior Agreement shall be of no further force or effect, and the rights, duties, and obligations of the Parties shall be governed exclusively by this Agreement, except as to any rights or obligations that expressly survive termination under the terms of the Prior Agreement or are expressly preserved herein.

3. TERM AND RENEWAL. This Agreement shall become effective upon the Effective Date and shall remain in effect for an initial term of five (5) years. Following the initial term, this Agreement shall automatically renew for successive three (3) year terms unless and until either Party provides written notice of intent not to renew at least one hundred eighty (180) days prior to the expiration of the then-current term. Nothing in this section limits the early termination provisions set forth elsewhere in this Agreement.

4. TRANSFER OF PERSONNEL, EQUIPMENT, AND RESOURCES

a. **Personnel Transfer.** Tremonton shall become the sole employment agency for the Police Department. Tremonton may, but is not required to, hire personnel currently employed by Garland associated with law enforcement services so long as each employee of Garland is eligible for employment with Tremonton. Tremonton may decline to hire any employee of Garland who refuses to agree to the following:

- i. Comply with Tremonton employment policies, compensation structures, and supervision;
- ii. Maintain required Utah peace officer certifications;
- iii. Be subject to Tremonton personnel policies following transfer;
- iv. Be compensated pursuant to Tremonton’s established pay scale and step system, including future cost of living adjustments and step increases as adopted by Tremonton City. Garland acknowledges that compensation structures may differ from prior Garland pay schedules and agrees that Tremonton’s adopted pay system shall govern following transfer; and

- v. Be placed on the Tremonton pay scale at a step commensurate with experience and certification level, as determined by Tremonton policy.

b. **Equipment and Asset Transfer.** Garland shall transfer ownership and operational control of police vehicles, equipment, supplies, and operational law enforcement assets to Tremonton. These assets shall support unified policing services and be recognized financially as provided in Section 7.

c. **Vacation Accrual Transition.** Transferring Garland officers may retain up to sixty (60) hours of accrued vacation leave to be rolled over into Tremonton employment. Any accrued vacation hours exceeding sixty (60) hours shall be converted to sick leave under Tremonton leave policies at the time of transition. Garland shall reimburse Tremonton for the fully loaded hourly value (salary plus benefits) of any vacation hours converted to sick leave under this subsection. Such reimbursement shall be paid to Tremonton using available funds from the current Garland Police Department budget. All future leave accruals shall follow Tremonton personnel policies.

d. **Leave Balance Liability Reimbursement.** Garland shall reimburse Tremonton for the fully loaded hourly value (salary plus benefits) of any accrued sick leave, compensatory time, or other leave balances transferred at the time of transition. Tremonton shall not assume unfunded leave liabilities created prior to consolidation.

5. SERVICES PROVIDED BY TREMONTON. Tremonton City, through the Tremonton Police Department, shall provide comprehensive law enforcement services within Garland City. These services include, but are not limited to:

- a. Patrol services and emergency response
- b. Criminal investigations and case follow-up
- c. Traffic enforcement and accident response
- d. Community policing and crime prevention activities
- e. Administrative, supervisory, and command oversight
- f. Participation in regional task forces, specialty assignments, and mutual aid operations as appropriate.

g. **Name of the Department.** The police department shall continue to be known and operate under the name Tremonton-Garland Police Department for all public-facing purposes, branding, vehicles, uniforms, and communications.

h. **Animal Services.** Tremonton shall provide animal control services within Garland City, including:

- i. Animal control enforcement
- ii. Animal shelter services
- iii. Enforcement of applicable animal-related ordinances.

iv. Each city shall enforce its own animal control ordinances within its respective municipal boundaries. Tremonton shall enforce Garland's animal control ordinances when providing services in Garland City.

i. **Excluded Services.** This Agreement does not include:

a. **Code enforcement services,** zoning enforcement, or other non-law-enforcement municipal regulatory functions unless separately agreed to in writing by both Parties. Police support will be provided for safety when needed.

j. **Facilities, Equipment, and Operational Resources.** Police facilities, equipment, vehicles, and operational resources transferred by Garland City pursuant to this Agreement shall be operated, maintained, and replaced as necessary by Tremonton City unless otherwise mutually agreed in writing.

k. **Operational Authority.** All law enforcement services provided under this Agreement shall remain under the operational command and administrative authority of the Tremonton Chief of Police. Nothing in this Agreement shall grant Garland City authority over day-to-day law enforcement operations, personnel deployment, investigative decisions, or enforcement actions.

l. **Mutual Aid, Operations and Regional Coordination.** The Parties acknowledge that regional law enforcement cooperation may require coordinated responses with neighboring jurisdictions. Nothing in this Agreement shall prohibit mutual aid responses, task force participation, or emergency assistance consistent with standard law enforcement practices. Both Parties recognize uninterrupted police service as a critical public safety function. All operational police decisions, including staffing deployment, enforcement priorities, investigative direction, and officer discipline, remain exclusively under the authority of the Tremonton Chief of Police. Advisory input from Garland officials may be considered but shall not direct operational decisions.

m. **Operational Support, Infrastructure, and Administrative Responsibilities.** Tremonton City shall assume primary responsibility for the operational support functions necessary to provide police services under this Agreement. This includes responsibility for:

- i. Dispatch service coordination and payment of associated dispatch service fees;
- ii. Evidence handling procedures, storage, security, and compliance with applicable legal standards;
- iii. Replacement, maintenance, and lifecycle management of police equipment, vehicles, and fleet assets;
- iv. Technology systems, including records management systems,

- communications equipment, body cameras, data storage, and related upgrades;
- v. Evidence storage facilities and associated infrastructure;
- vi. Expansion, maintenance, or improvement of police operational infrastructure reasonably necessary to sustain service delivery.

These responsibilities shall be managed in accordance with Tremonton City policies, operational standards, and subject to budget appropriations.

Nothing in this section shall obligate Garland City to separately fund these operational support functions except as provided through the payment structure outlined elsewhere in this Agreement.

n. **Crossing Guard Oversight and Staffing.** Tremonton City shall oversee, coordinate, and staff school crossing guard services within Garland City as operationally necessary. Crossing guards shall be hired, supervised, scheduled, trained, and managed under Tremonton administrative oversight. The number and deployment of crossing guards shall be determined based on school locations, traffic patterns, safety assessments, and operational need, and may be adjusted from time to time. Crossing guard services shall be considered a public safety support function under this Agreement and subject to available budget appropriations.

6. MINIMUM STAFFING COMMITMENT. Tremonton shall maintain staffing levels reasonably necessary to provide continuous and effective police services within Garland City, including investigative support consistent with operational needs. As of the Effective Date of this Agreement, anticipated service levels include:

- a. Two (2) dedicated detective positions;
- b. A minimum of two (2) patrol officers on duty at all times across the combined Tremonton-Garland service area;
- c. At least one (1) School Resource Officer (SRO) assigned consistent with school and community needs;
- d. One (1) full-time Chief of Police providing executive oversight; and
- e. One (1) full-time Lieutenant providing operational supervision.

These staffing levels reflect anticipated service levels at the time of execution and may increase as population growth, call volume, or service demands require. Service levels may be adjusted based on operational necessity as determined by the Tremonton Chief of Police. Nothing in this section creates a guaranteed minimum staffing level. Tremonton shall use reasonable efforts to maintain continuity of police services, subject to available staffing, emergencies, critical incidents, hiring timelines, and other circumstances beyond Tremonton's reasonable control.

Service Level Review.

Tremonton shall maintain service levels reasonably consistent with the staffing and deployment levels described herein. In the event of a material and sustained reduction in service levels, the

Parties shall meet in good faith to evaluate adjustments to service expectations and/or compensation.

7. FINANCIAL TERMS

a. **Annual Police Services Payment.** Garland shall pay Tremonton Five Hundred Seventy Three Thousand Six Hundred Twenty Seven Dollars (\$573,627) annually for police services during the first year of this Agreement.. Beginning in the first full fiscal year following execution, the annual payment shall be adjusted pursuant to Section 8 of this Agreement. Payments shall:

- i. Be made in four (4) equal quarterly installments unless otherwise agreed in writing;
- ii. Be subject to municipal budget approval processes;
- iii. Be due within thirty (30) days of invoice.

Garland's annual payment obligation shall not be reduced below the Year One base contract amount except as expressly provided under the asset credit provisions in Section 7(c).

b. **Assigned Revenue to Tremonton.** Garland shall allocate and remit to Tremonton the following revenues attributable to policing services within Garland:

- i. State beer tax allocations associated with policing;
- ii. Police protection funding received from schools;
- iii. Animal control fees;
- iv. Animal shelter fees. Actual revenue transferred shall be based on verified annual collections.

Tremonton may request reasonable documentation to verify amounts remitted. Assigned equipment, fees and revenues shall be credited against Garland City's annual payment obligation or otherwise incorporated into the base contract amount to reflect the net cost of services.

c. **Asset Purchase by Tremonton.** Tremonton shall purchase all police vehicles, equipment, operational resources, and related law enforcement assets from Garland as part of this Agreement ("Purchased Assets"). A list of the Purchased Assets is attached as Schedule 1. Tremonton shall pay Garland a one-time lump sum payment of One Hundred Sixty-Four Thousand Seven Hundred Eighty-One Dollars (\$164,781) ("Asset Purchase Payment") within thirty (30) days of the effective date of this Agreement.

The Asset Purchase Payment represents full and final consideration for all Purchased Assets. Upon receipt of payment, ownership of all Purchased Assets shall transfer to Tremonton. No

credit, discount, or offset shall be applied to Garland's annual police services payment. Garland's annual payment obligations shall be calculated at the full contract amount from Year One, subject to CPI adjustments pursuant to Section 7.

For clarity and transparency, assuming a three percent (3%) annual CPI adjustment for illustration purposes only, the projected payment structure is as follows:

Fiscal Year	Base Contract (3% Est.)	SRO / Revenue	Garland Net Payout
Year 1	\$705,627	\$132,000	\$573,627
Year 2	\$726,796	\$132,000	\$594,796
Year 3	\$748,600	\$132,000	\$616,600
Year 4	\$771,058	\$132,000	\$639,058
Year 5	\$794,189	\$132,000	\$662,189

Actual annual adjustments shall be calculated pursuant to Section 7, subject to the CPI floor and cap provisions contained therein.

d. **Growth-Driven Staffing Cost Responsibility.** If additional sworn personnel are required primarily due to population growth, call volume increases, development expansion, or service demands attributable to either Garland or Tremonton exclusively, the Party requiring the increased demand shall bear one hundred percent (100%) of the salary, benefits, equipment, training, and associated overhead costs for such personnel. The determination of staffing necessity shall be made by the Tremonton Chief of Police based on objective operational data including call volume, response times, officer workload, population growth, or documented service demands. This provision ensures Tremonton taxpayers are not subsidizing growth-related policing costs attributable to Garland.

e. **Payment Default.** If Garland fails to remit payment within thirty (30) days of invoice, Tremonton shall provide written notice of non-payment. If payment is not received within fifteen (15) days following written notice, the unpaid amount shall accrue interest at the statutory rate permitted under Utah law. If payment remains unpaid for sixty (60) days following the original due date, Tremonton may initiate dispute resolution under Section 13 or termination proceedings under Section 15. Nothing in this subsection shall permit interruption of essential public safety services during the active term of this Agreement absent termination pursuant to Section 15.

8. ANNUAL CPI COST ADJUSTMENT

a. **Annual CPI Adjustment.** Beginning the first full fiscal year

following execution of this Agreement, Garland's annual payment obligation shall be adjusted based on the Consumer Price Index for All Urban Consumers (CPI-U), as published by the United States Bureau of Labor Statistics. The annual CPI adjustment shall:

- i. Reflect the percentage increase in CPI-U for the preceding twelve (12) month period;
- ii. Not be less than two percent (2%);
- iii. Be applied to the prior year's annual contract amount; and
- iv. Not decrease the annual payment amount unless mutually agreed in writing by both Parties. The adjusted amount shall become the new annual contract amount for the subsequent fiscal year. This provision is intended to account for normal inflationary increases in personnel costs, equipment, insurance, fuel, and general operational expenses.

b. **Mandated Cost Adjustment.** If state or federal law, Utah retirement contribution rates, dispatch contract rates, risk pool assessments, statutory benefit obligations, POST certification requirements, workers' compensation rates, or other legally mandated public safety cost drivers increase beyond the CPI adjustment provided in Section 7(A), and such increases materially impact the cost of providing police services under this Agreement, the Parties shall meet in good faith to adjust the annual contract amount proportionately to reflect the increased mandatory cost. Any such adjustment shall:

- i. Be supported by objective financial documentation;
- ii. Be limited to the documented increase attributable to the mandated cost change; and
- iii. Apply prospectively following written notice to Garland.

This provision ensures that Tremonton is not required to absorb material cost increases that are outside its control and not addressed through the CPI adjustment mechanism.

9. Staffing Adjustment and Growth Alignment. The Parties acknowledge that population growth and development activity directly impact public safety service demands. For planning purposes only, a benchmark of approximately one (1) sworn police officer per seven hundred (700) residents is recognized as a general planning guideline. This benchmark is not a contractual guarantee of staffing levels. If additional sworn personnel are determined in the reasonable professional judgment of the Tremonton Chief of Police to be necessary due primarily to one Party's population growth, development activity, increased call volume, or documented service demands attributable to one of the Parties, the demanding party shall bear one hundred percent (100%) of the associated costs. Such costs may include, but are not limited to:

- a. Salary and benefits

- b. Equipment and uniforms
- c. Training and certification
- d. Vehicles and operational expenses
- e. Administrative and overhead costs

Any staffing increase attributed primarily to Garland City that results in additional financial obligations shall require:

- Supporting documentation;
- Written concurrence by both Parties prior to implementation.

Nothing in this section obligates Tremonton to increase staffing absent operational necessity as determined by the Tremonton Chief of Police. The intent of this provision is to ensure that neither city subsidizes the growth-related public safety costs of the other.

10. ADMINISTRATION AND OPERATIONAL AUTHORITY. The Tremonton Chief of Police shall retain:

- a. Full operational command authority
- b. Personnel supervision authority
- c. Responsibility for policy implementation. Nothing in this Agreement grants Garland authority over operational policing decisions.

11. POLICE SERVICES ADVISORY BOARD

a. **Establishment.** The Parties shall establish a Police Services Advisory Board to facilitate communication regarding fiscal, administrative, and public-impact issues. The Board is advisory only and shall not exercise operational authority. The Board shall not direct or supervise law enforcement personnel.

b. **Composition.** The Board shall include:

- i. One elected official or designee from each city
- ii. The Tremonton Chief of Police
- iii. Administrative representatives as mutually agreed.

c. **Scope of Review.** The Board may review matters including:

- i. Funding adjustments or cost changes
- ii. Capital expenditures
- iii. Contract amendments
- iv. Issues affecting municipal impact

d. **Operational Independence.** The Board shall have no authority

over operational policing, including:

- i. Investigations
- ii. Personnel deployment
- iii. Enforcement decisions
- iv. Training or discipline

Operational authority remains solely with Tremonton.

e. The Board shall meet monthly, or more frequently as requested by either Party. Either Party may request additional meetings with reasonable notice.

12. LIABILITY AND INSURANCE

a. **General Liability and Coverage.** Tremonton City shall maintain liability insurance, workers' compensation coverage, and appropriate insurance for all police personnel employed by Tremonton and assigned to provide services under this Agreement. Tremonton shall be responsible for claims arising from the acts or omissions of Tremonton employees while performing law enforcement duties under this Agreement, subject to the Utah Governmental Immunity Act. Garland shall maintain its own municipal liability coverage for general municipal operations unrelated to police services. Each Party shall indemnify and hold harmless the other Party from claims arising from its own negligence or policy decisions. Nothing herein constitutes a waiver of governmental immunity.

Incident-Based Premium Attribution. If claims or liability exposure attributable primarily to Garland operations cause measurable increases in liability insurance premiums, deductibles, risk pool assessments, or related costs, Garland shall reimburse Tremonton for the proportionate increase attributable to those incidents. Any cost attribution shall be supported by clear and objective documentation demonstrating a direct causal relationship to Garland-specific incidents.

b. **Material Impact Reassessment.** If Tremonton's department-wide law enforcement liability premiums increase by more than fifteen percent (15%) in a single renewal year due to catastrophic claims or litigation originating from services provided under this Agreement, Tremonton shall notify Garland in writing. Upon notification, the Parties shall enter a thirty (30) day renegotiation period to determine a fair cost-share allocation. If agreement cannot be reached, either Party may initiate termination pursuant to Section 15.

13. **DISPUTE RESOLUTION.** In the event of a dispute arising under this Agreement, the Parties agree to pursue resolution in the following order:

a. Good faith negotiation between designated administrative representatives of each city;

- b. Review and discussion by the Police Services Advisory Board, if the matter involves policy, funding, service levels, or issues affecting either city's interests;
- c. Mediation, if the dispute remains unresolved after Board review;
- d. Litigation as a last resort in a court of competent jurisdiction.
- e. Allocation of attorney fees and costs as set forth in Section 14.

14. ATTORNEY FEES AND COSTS. In the event litigation is required to enforce or interpret this Agreement, the prevailing Party shall be entitled to recover reasonable attorney fees, court costs, and related litigation expenses from the non-prevailing Party, as permitted by Utah law. This provision shall not apply unless the Parties have first complied with the dispute resolution procedures outlined in this Agreement, except in circumstances requiring immediate legal action. Nothing in this section shall limit either Party's ability to address urgent operational or public safety matters as necessary.

15. TERMINATION. This Agreement shall remain in effect for the full initial five (5) year term unless otherwise terminated as provided herein.

a. **Early Termination.** This Agreement may be terminated prior to the expiration of the initial term only:

- i. By mutual written agreement of both Parties; or
- ii. By either Party providing not less than twelve (12) months written notice of intent to terminate.

b. **Non-Renewal at End of Term.** Either Party may elect not to renew this Agreement following the initial term by providing at least twelve (12) months' written notice prior to the expiration date of the Agreement. The Parties shall cooperate in good faith to ensure continuity of police services during any termination period.

c. **Property and Asset Ownership.** All police equipment, vehicles, supplies, operational resources, and other assets transferred to or acquired by Tremonton under this

Agreement shall remain the sole property of Tremonton City upon termination or expiration of this Agreement, unless otherwise mutually agreed in writing.

d. **Personnel Status.** Upon termination or expiration of this Agreement:

- i. Police personnel employed by Tremonton shall remain employees of Tremonton unless otherwise agreed;
- ii. Tremonton shall retain operational control of all personnel matters consistent with applicable law.

e. **Personnel and Transition Cost Protection.** If Garland terminates this agreement and Tremonton cannot reasonably absorb sworn personnel hired or assigned primarily to service Garland, Garland shall reimburse Tremonton for up to six months (6) months of salary, benefits, and associated personnel costs for each affected employee. Additionally, Garland shall reimburse Tremonton for any unrecovered equipment, training, onboarding, or capital costs incurred specifically to provide police services to Garland. This provision prevents financial harm to Tremonton taxpayers resulting from unilateral termination.

16. FORCE MAJEURE. Neither Party shall be deemed in default of this Agreement to the extent performance is delayed or prevented by causes beyond its reasonable control, including but not limited to acts of God, natural disasters, fire, flood, pandemic, epidemic, war, terrorism, civil unrest, governmental orders, labor disputes, infrastructure failure, or other emergencies. If such an event materially impacts Tremonton's ability to provide police services at normal staffing or operational levels, Tremonton shall notify Garland as soon as reasonably practicable and shall use reasonable efforts to restore full service capacity. Nothing in this section shall require Tremonton to violate law, compromise officer safety, or exceed available staffing or budgetary resources during such event.

17. GOVERNING LAW. This Agreement shall be governed by and construed in accordance with the laws of the State of Utah. Any legal action arising out of or relating to this Agreement shall be filed in a court of competent jurisdiction located within the State of Utah, and unless otherwise required by law, venue shall lie in the judicial district in which Box Elder County, Utah, is located. This Agreement is entered pursuant to the Utah Interlocal Cooperation Act, Utah Code §11-13-101 et seq., and shall be interpreted consistent with that statute and applicable provisions of the Utah Governmental Immunity Act.

18. ENTIRE AGREEMENT. This document represents the entire agreement between the Parties and supersedes prior discussions or memoranda. Amendments must be in writing and approved by both City Councils.

19. SEVERABILITY. If any provision of this Agreement is determined to be invalid or unenforceable, the remaining provisions shall remain in full force and effect.

20. ASSIGNMENT. Neither Party may assign or transfer this Agreement, in whole or in part, without the prior written consent of the other Party.

PROPERTY RIGHTS OMBUDSMAN RESOURCE

<https://commerce.utah.gov/propertyrights/find-the-law/legal-topics/temporary-land-use-regulation-moratorium/>

COUNTERVAILING PUBLIC INTEREST

WHY A TEMPORARY PAUSE SUPPORTS RESPONSIBLE GROWTH

Public Health and Safety

- Current growth projections are outpacing several foundational infrastructure planning documents. A moratorium would allow staff time to update our Capitol Facilities Plans (CFPs). Without these updated plans the city risks approving growth without clear infrastructure capacity analysis.

Municipal Code Review and Revision

- A moratorium is a chance for staff to make sure that ordinances are drafted and adopted that would help the land use approval process proceed in a consistent, efficient and legally sound manner

ULCT Debrief & Three-Year Strategy Discussion

Tremonton City Council Meeting

Prepared by Mayor Bret Rohde | April 2026

Why we're talking about this tonight

Five of us went to ULCT this year. That's a lot of city brain in one room. Before I bring forward a framework I've been working on for the next three years, I want us to debrief together — peer to peer. What you heard matters as much as what I heard, and the framework only works if it carries voice from all of us.

Part 1 — Open discussion: What stuck with you?

I'd like to start by hearing from each council member who attended. No formal order, no presentation pressure. Just three prompts to get us going:

- What session hit you the hardest?
- What did you hear that you didn't expect?
- What's one thing you want Tremonton to think differently about because of what you heard?

We're not solving anything tonight. We're getting it on the table.

Part 2 — What I took away

I sat in five sessions. Here's the short version of each.

Civic Courage (keynote)

The story was Baltimore Mayor Edward Johnson in 1812. A mob from his own political party was tearing down the office of an opposition newspaper. Practical advice was to go home. Two men from the other party begged him for help. He turned and walked toward the mob. The point wasn't the outcome — it was the choice. Standing up for what you believe, even when the practical move is to look away. I've been chewing on that one all week.

Impact Fees in Utah

The presenting city was Spanish Fork. The big takeaway: keep them current. Statute says “regularly,” and the working definition is at least every two years — Spanish Fork updates annually. Impact fees are for infrastructure only, never for operations or salaries. A natural next step is to confirm our current update cadence with our finance team.

Transportation Utility Fee

Cameron Diehl moderated. Susie Becker from Zions Public Finance walked through the methodology. It's a proportional cost-share built on trip generation. Required categories by law: residential, commercial, and one other. Defensibility depends on data quality — every property's trip count documented, usually from the ITE manual. This is a real tool we should look at hard, especially with growth pressure on our roads.

Data Privacy & AI Governance

Christopher Bramwell, Utah's Chief Privacy Officer. Two takeaways. First, Utah is the first state to formally adopt a forward-looking compliance strategy — new systems must comply with data governance laws, and pre-existing ones get inventoried and brought along over time. Second, AI is moving fast, and at scale these systems are starting to affect individual rights. His message to elected officials was straightforward: developing literacy on data governance and AI is now part of the role.

Water + Rapid Growth

Brian Steed (Executive Director of USU's Janet Quinney Lawson Institute, also Commissioner of the Great Salt Lake) on water in the context of first- and second-class cities growing fast. Tremonton is in that growth pattern. Water has to be a 2029 conversation, not a 2025 one.

Part 3 — Common threads

A few things showed up in more than one session:

- Growth is the ground we're standing on. Water, roads, impact fees — every one of these sessions assumed cities are growing faster than their plans were built for.
- Revenue tools matter. Impact fees and transportation utility fees aren't just funding mechanisms; they're how a city aligns who pays with who creates the cost.
- Clear elected direction strengthens staff execution. Two of the sessions made the same point in different ways: when council provides clear strategic direction, staff has firmer ground to build on. The clearer the direction, the more confident the implementation.

Part 4 — Where this is headed: a Three-Year Framework

I've been working on a strategy framework for the next three years. It's a draft. I'm bringing it to you tonight for early input — not for adoption. The framework will go through staff reaction and public engagement before anything formal happens.

Governance philosophy

Citizen-Informed, Council-Directed, Staff-Empowered. Three roles, three verbs, all horizontal — peers across the table working together.

- Citizens inform — voice and lived experience are the source material for direction.
- Council directs — carries citizen voice into formal strategy. Sets the WHAT and the WHY.
- Staff are empowered — bring expertise to the conversation AND execute. Voice on the front end, autonomy on the HOW.

The aim is interdepartmental collaboration and shared ownership across all three roles.

Foundation (carried forward from the vetted 2025 plan)

Mission: A safe and welcoming community where neighbors feel connected to each other and enjoy life.

Vision: A connected community that thrives on vibrant relationships, safe spaces, and sustainable growth.

Four pillars:

1. Connected to the Good Life
2. Connected to Each Other
3. Connected to Peace and Security
4. Connected to a Positive Well-Being

How the 2025 plan fits in

The 2025 plan generated a menu of ideas — public dashboard, multi-sport complex, trails, veterans events, dignity engagement, broadband access, the incentivized idea program, and others. Under this framework, those live as ideas the departments can draw from when translating council strategy into work plans. Council's job is to set direction. Departments bring proposals back with the methodology and the math attached.

To be clear: we're treating those specifics as a menu, not as predetermined commitments. The framework asks us to set strategy first and let measurable goals flow up from the departments. That's not walking away from the 2025 work — it's putting it in its proper layer.

Operating principles (the rules under everything)

- Horizontal relationships and interdepartmental collaboration.
- Financial stewardship. Every strategy passes a sustainability check.
- CIP alignment. Capital strategies tie to the Capital Improvement Plan.
- Percentage-based direction. Council sets ceilings; departments work within them.
- Revenue direction. Council sets cadence and direction; staff handles methodology.

What council builds

For each of the four pillars, the council fills in three to four high-level strategies. Each strategy answers two questions: Is it financially sustainable? Does it require CIP investment? That's the council layer. No annual targets. No department-specific numbers. Just direction with a financial check.

What departments build (after council adopts)

Each department translates council strategy into:

- Measurable goals (annual or three-year)
- FY budget request within the ceiling percentage set by council
- Cross-departmental coordination plan

Workshop sequence

Nine steps from tonight's debrief through FY2027 budget alignment:

1. Workshop 1 — ULCT debrief and kickoff. Confirm framework, schedule build sessions.
 2. Department Head Briefing — each department head briefs council on context, pain points, and opportunities. Staff voice informs strategy build. No votes.
 3. Workshop 2 — Council fills strategies for Pillars 1 and 2.
 4. Workshop 3 — Council fills strategies for Pillars 3 and 4.
 5. Workshop 4 — Integration and ceilings. Council reviews full draft, sets department ceiling percentages using the FY2027 Budget Snapshot.
 6. Staff Reaction Window (1-2 weeks) — staff review the draft and surface practical considerations and unintended consequences before adoption.
 7. Public engagement — only on what's added or changed (mission, vision, and pillars are already vetted).
 8. Adoption — formal council vote at a regular meeting.
 9. FY2027 budget alignment — staff builds budget against the adopted strategy and ceilings.
-

The ask tonight

Two things from the council:

1. Discussion. Reactions to the framework. What feels right, what feels off, what's missing.
2. A green light to schedule Workshop 1 — the formal kickoff to walk this all the way through to FY2027 budget alignment.

This is a multi-month process. I'd rather start it deliberately than rush it.

RESOLUTION NO. 26-27

A RESOLUTION OF TREMONTON CITY COUNCIL APPOINTING BEN GREENER TO SERVE ON THE TREMONTON CITY PLANNING COMMISSION AND REAFFIRMING AND APPOINTING EXISTING PLANNING COMMISSION MEMBERS

WHEREAS, Utah Code 10-9a-301 requires that each municipality shall enact an ordinance establishing a Planning Commission; and

WHEREAS, Tremonton City has enacted an ordinance establishing a Planning Commission for Tremonton City, Utah, which is codified in the Tremonton City Land Use Code Sections 1.04.010 through 1.04.055 (hereafter “Tremonton City Ordinance” or “Tremonton City Land Use Code”); and

WHEREAS, the Tremonton Planning Commission is composed of five (5) members, two (2) Alternates and a City Council member as an ex-officio and non-voting Member of the Planning Commission; and

WHEREAS, Section 1.04.035 of the Tremonton City Land Use Code outlines the role of Planning Commissioners as public officials who are political appointees of the City Council; and

WHEREAS, as non-elected public officials, Planning Commissioners do not have a constituency, nor do they represent the citizens or a neighborhood; and

WHEREAS, Section 1.04.035 of the Tremonton City Land Use Code states that the Planning Commission’s primary purpose is to be an advisory body to the City Council by providing reasoned recommendations to the City Council on land use matters; and

WHEREAS, since a Planning Commission member does not have a constituency nor do they represent the citizens and/or a neighborhood, with their primary purpose being a land use advisor to the City Council, the Tremonton City Ordinance expressly permits that a Planning Commissioner may reside outside of Tremonton City’s incorporated limits; and

WHEREAS, the Tremonton City Ordinance also defines the role and authority of the Planning Commission; the mode of appointment and the procedures for filling vacancies and removal from office; and other details relating to the organization and procedures of the Planning Commission; and

WHEREAS, Section 1.04.015 of the Tremonton City Land Use Code states that when vacancies occur in the Planning Commission, a City Council member that is an ex-officio member of the Planning Commission shall appoint an individual to serve on the Planning Commission with the advice and consent of the City Council; and

WHEREAS, Section 1.04.015 of the Tremonton City Land Use Code requires that in cases when a City Council member has not been assigned to be an ex-officio Member of the Planning

Commission, the Mayor shall appoint an individual to serve on the Planning Commission with the advice and consent of the City Council; and

WHEREAS, Section 1.04.015 of the Tremonton City Land Use Code states that it is the responsibility of the City Council member or Mayor that is appointing, with the advice and consent of the City Council, to make a careful and critical evaluation of the individuals ability to fulfill the role of a Planning Commissioner; and

WHEREAS, to aid in the evaluation process, the City Council or Mayor may interview or request a letter of interest, resume, written statement about growth-related issues, etc., from the perspective Planning Commissioner; and

WHEREAS, Councilperson Kristie Bowcutt, serving as an ex-officio member of the Planning Commissioner, now proposes that the Tremonton City Council consents to the following appointments or for the City Council to provide its advice on whom to appoint to the Planning Commission.

NOW, THEREFORE, BE IT RESOLVED that the Tremonton City Council hereby appoints Ben Greener to the Tremonton City Planning Commission and reaffirms and appoints the following individuals as members of the Tremonton City Planning Commission for the following duration:

<u>Commission Member¹</u>	<u>Start Date of Term</u>	<u>End Date of Term</u>
Micah Capener	September 2012	September 2027
Raulon Van Tassell	March 2023	September 2025
Andrea Miller	August 2024	August 2027
Karen Ellsworth	January 2025	January 2026
Ben Greener	May 2026	May 2028

<u>Alternate Member</u>	<u>Start Date</u>
Ashlee Phillips	January 7, 2025
Jack Stickney	January 7, 2025

<u>Ex-Officio Member²</u>	<u>Start Date of Term</u>	<u>End Date of Term</u>
Kristie Bowcutt	January 2026	Not Applicable

Note ¹: The terms of the appointed Members of the Planning Commission shall be three (3) years and until their respective successors shall have been appointed, except that the terms of appointment shall be such that the terms of two (2) Members shall expire each year. There are no limits on the number of terms that a Planning Commissioner may serve or be appointed to by the City Council. The Planning Commission existing at the time of passage of this Title shall continue to serve, and the terms of its Members shall be fixed by the City Council in such a manner as to comply with the above provisions for staggering terms of service. Vacancies of appointed Members occurring other than through the expiration of a term shall be filled for the remainder of the unexpired term by appointment of the City Council.

Note 2: The City Council member assigned to be the ex-officio member shall serve at the pleasure of the City Council. (See Tremonton City Land Use Code, Section 1.04.020 Term of Office)

Adopted and passed by the City Council on May 5, 2026. Resolution to become effective upon adoption.

TREMONTON CITY
A Utah Municipal Corporation

**Cultural & Community
Engagement**

DONNA LAW
Executive Director

KATHERINE POTTER
Deputy Director

Utah State Library
Division

CARA ROTHMAN
Division Director, State Library

March 20, 2026

Dear Bret Rohde,

The Utah State Library would like to recognize Tremonton City Library for outstanding service to their community during the 2025 fiscal year. Please accept our congratulations on earning the Quality Library Award.

The Quality Library Award is a designation that the State Library determines during recertification, which is an annual process that requires public libraries to submit reports and data to indicate that their services are in accordance with State Library standards. The Quality Library Award is a secondary application for library directors to indicate that the work they and their staff have accomplished rises above and beyond the standards. The purpose of this award is to recognize libraries, and the dedicated people who work in them, who are offering exemplary work in their communities. In other words, the Quality Library Award provides an opportunity for the State Library to highlight transformational services that might not be obvious in the standard recertification process.

As a Quality Library, your institution is an active, involved, and vital part of the community. It provides resources and services beyond the four walls of the library with exemplary outreach to residents. The best libraries seek to serve their communities in specific ways to address local needs. The efforts being made at your library demonstrate an awareness of community needs with an appropriate and helpful response by the library.

Commitment to excellent library service indicates teamwork. It takes leadership from the director, funding and support from the city/county government, dedication from all library staff, support from the community, training for the staff and board, planning, and careful attention to community needs.

Thank you for continuing to deliver outstanding library service to Utah residents.

Sincerely,

Cara Rothman
Division Director, State Library

Draft Minutes

TREMONTON CITY CORPORATION CITY COUNCIL MEETING APRIL 7, 2026

Members Present:

Kristie Bowcutt
Brent Jex
Beau Lewis
Sharri Oyler
Blair Westergard
Bret Rohde, Mayor
Linsey Nessen, City Manager
Cynthia Nelson, City Recorder—excused

CITY COUNCIL WORKSHOP

Mayor Rohde called the April 7, 2026 City Council Workshop to order at 6:00 p.m. The meeting was held in the City Council Meeting Room at 102 South Tremont Street, Tremonton, Utah. Those in attendance were Mayor Rohde, Councilmembers Bowcutt, Jex, Lewis, Oyler, and Westergard, and City Manager Nessen. City Recorder Nelson was excused.

1. Call to Order and Declaration of Conflict of Interest
2. Council Reports and Updates

Councilmember Bowcutt said our new zoning administrator is finding a lot of stuff, which will be good. We have hired our planning director, who will start later this month. He has worked out of Morgan County and gained knowledge there. We will do interviews for Planning Commission members. A merchant who has a problem with dumpsters in the City's alleyway reached out. This was brought up in a DRC in January. Another storefront owner has given her permission to park her delivery truck in his lot. He is going to repave the parking and the dumpsters will have to be moved out of that alleyway. Thanks for the tour of the treatment plant. It was educational. Public Works is doing well but are down two leads. They have really good employees who will be able to pass certification and move into those roles. The plant is slowly failing, and Director Mackley will report on that. They are putting in the bridge portion today for Rocket Road. Secondary water is expanding and there is also the equalization basin. Culinary water replacement is moving along on 100 West. A bid came in for the new section of the cemetery (\$57,200) and was awarded to Rupp's Trucking.

Councilmember Jex said the police department has been really busy. We had a good meeting with Manager Nessen about coming in as close to target on budget for the remainder of the year. Our speed trailer is requested all over the City. Two areas where we have the biggest concern is on 1000 North and Iowa String. I want to look into the feasibility of doing a couple permanent solar powered speed signs. They cost between \$1,700 and \$3,500 apiece. Can we find this in the budget? Two or three of those signs would be great coming into the City. According to the data, some of those speeds get

Draft Minutes

pretty high. I will have neck surgery before our next meeting and will participate by Zoom. We need to be asking questions as we go through the budget and throughout the year. That is not an attack, it is educational. We have to ask those hard questions to gain perspective, so we are not just rubber-stamping stuff we do not understand.

Councilmember Lewis said we are going to apply for the Main Street America program. We are asking Kelly Wood to be the Main Street director and will involve anybody who wants to be a part of that. RDA funds are going to be available and we want to make sure we are on top of that. With Main Street America we would be in tier one if we get accepted. This is a model that has been proven. They know Main Streets, which sets us up for long-term success. After the attorney reviews it, we can bring it to our next meeting as a resolution. We are meeting with a real estate group next week that is going to bring in a lot of jobs. We will meet to make sure we are aligned for business and commercial development. There are real estate conversations that need to be had. We will talk about that in our Closed Meeting. With our billboards I do have a business that wants it. I can get terms over to them. Tremonton could be on there, too. Mayor Rohde said Manager Nessen can help you get the contract and everything in place.

Councilmember Westergard said all of our residents who dump grass are pissed that the resource was taken away at the treatment plant. After some discussion, Director Mackley said it is a change for people and we understand that. That is part of trying to keep the level of services we have. It was unmonitored. We did not have gates and it was not controlled. People came from all over to dump. The reason we do not charge now is because we need the green waste to turn it into compost. It is more economical to compost our solids than to landfill them. The other area is a bit further south, but still available for free.

Councilmember Oyler said the food pantry brought in a lot with the last drive. Numbers are up on the families they serve, but they are still good. The Senior Center held their health fair, and Director Christensen learned new things at her conference to be implementing.

Mayor Rohde said thanks for the reports. I think it is awesome the way you are all involved with various departments. He then read a letter that will be sent to Congressman Moore's office. The letter spoke of support in renaming the Tremonton City post office to the Sorenson Estrada Post Office to honor those fallen officers. Part of the letter stated, it creates a permanent, dignified memorial for the ultimate sacrifice they made, and serves as a daily reminder to every officer putting on the uniform that their community has their back. The city of Tremonton stands completely united behind this proposal.

3. Presentations:
 - a. **Title:** Water Rate Study & Analysis of Impact Fees

Public Works Director Carl Mackley said we budgeted for this fiscal year \$70,000 to be equally distributed between secondary and culinary to do a rate study and impact fee analysis. We are waiting for Jones and Associates to do our Capital Facilities Plan. That

Draft Minutes

is the nuts-and-bolts sides of the impact that water has, both culinary and secondary. Then this water rate study and analysis of the impact fees is just a financial side of that. That builds off of the Capital Facilities Plan and Impact Fee Plan that is put forth. That will be in July sometime. It will be great to have that done to determine what the true cost of water is. We will communicate that openly with recommendations that the Council can discuss and make decisions on.

b. **Title:** RES 26-19 Awarding bid for Secondary Water SA9 Expansion

Director Mackley said there are three projects we are shuffling around. For the Holmgren Estates East subdivision, we have 15 bids, which is fantastic. We budgeted \$800,000. I am recommending the Council award this contract to Great Basin Development for \$343,601.80. They were the second lowest bid. Our lowest bidder did not qualify. We got good references and it is less than we thought.

c. **Title:** WWTP Upgrades

Director Mackley said this is the Reader's Digest version of what was sent. Our engineer over wastewater treatment gives me direction on the recommendations we do, how much it might cost and when to do it. Director Mackley then reviewed a graph showing a three-year average of the amount of water coming in, along with the 1.9 million gallons per day limit. Our plant was designed for two million gallons a day. We are flirting pretty heavily with that red line right now. Our plant is old and aging. It is slowly failing, particularly the aeration basin. There are three bundles of projects that need to be done. A lot of them do not give additional capacity unless we do all of them. If this were an automobile, we would have sold it a long time ago. It is in poor shape. I have lots of concerns on infrastructure needs with our roads and water, but my biggest concern is the state of the treatment plant. It is old and has been neglected for a while. The Council has approved and set aside money for Phase 1. This memorandum discusses three separate phases. The first is aeration basins and secondary clarifiers. That will bring new life into our plant. That is \$7.2 million that we have already been working on and are going to spend over the next year. The next group of projects needed, is the digester and solids handling rehabilitation (about \$3 million). The engineer recommends we start design on that this summer so we can build next year. My job is to find that money and after that find somewhere between \$4.5 million to \$9 million, depending on how we design and what needs to happen. Head works is the third phase and will add capacity. If we do all three of those, we can have additional capacity, buying us 10 to 20 years at the plant. After which, it is time to plan another plant with six million gallons per day, peak hour flow. I determined that one home contributes 360 gallons per day. The Council has been asking for those types of numbers. This graph shows the additional thousand homes and I would say, we are somewhere between those two lines with what we have already approved, but not built. We are spending millions right now and proposing to spend millions more. I can backtrack what developments have been approved, but not built and put a line on this graph saying this is going to be the impact. That could help us as decision makers to determine if and when the City can handle more developments depending on capacity.

Draft Minutes

- d. **Title:** Emergency Management Presentation—Nate Christensen

Mr. Christensen said there is training available for elected officials and I want to schedule that for the Council. This would teach you your role and responsibilities in an emergency. You will be backing us up with policies and more. The County Emergency Manager would do that for us. It would take two to four hours depending on questions. A date would be determined for this training to be scheduled.

- e. **Title:** Discussion on Budget

This item would be addressed during Strategic Business of the Council Meeting.

- 4. *CLOSED MEETING: No Closed Meeting held at this time.*
 - a. *Strategy session to discuss the purchase of real property when public discussion of the transaction would disclose the appraisal or estimated value of the property under consideration or prevent the public body from completing the transaction on the best possible terms; and/or*
 - b. *Strategy session to discuss the character, professional competence or physical or mental health of an individual; and/or*
 - c. *Strategy sessions to discuss pending or reasonably imminent litigation; and/or*
 - d. *Discussions regarding security personnel, devices or systems*

The meeting adjourned at 6:55 p.m. by consensus of the Council.

CITY COUNCIL MEETING

Mayor Rohde called the April 7, 2026 City Council Meeting to order at 7:00 p.m. The meeting was held in the Tremonton City Council Meeting Room at 102 South Tremont Street, Tremonton, Utah. Those in attendance were Mayor Rohde, Councilmembers Bowcutt, Jex, Lewis, Oyler, and Westergard, and City Manager Nessen. City Recorder Nelson was excused.

- 1. Call to Order
- 2. Invocation by: Councilmember Jex
Pledge by: Rick Jeppsen
- 3. Roll Call
- 4. Approval of Agenda:

Mayor Rohde suggested moving the budget discussion from the Work Session onto their Council Meeting agenda before Item 12. Councilmember Bowcutt also suggested moving the Financial Statements to Strategic Business for more discussion.

Motion by Councilmember Lewis to approve the agenda of April 7, 2026 with the changes state above. Motion seconded by Councilmember Jex. Vote: Councilmember Bowcutt - yes, Councilmember Jex - yes, Councilmember Lewis - yes, Councilmember

Draft Minutes

Oyler - yes, Councilmember Westergard - yes. Motion approved.

- 5. Presentation
 - a. Tremonton City Citizenship Award to Elementary & Intermediate Students

Mayor Rohde said this is the best part of the evening when we get to present these wonderful students with their citizenship awards. We appreciate all they do. Councilmember Bowcutt then announced the students and presented their awards. They took a picture.

- 6. Declaration of Conflict of Interest: None.

- 7. Presentations
 - a. American Legion Photo Presentation – John McClellan and David Winkler

The Council was presented with a picture of Mayor Rohde and Garland’s Mayor, along with the American Legion National Commander during a recent event. Mr. Winkler said we are working on plans for the USA 250 celebration and Tremonton is helping by sponsoring it. On May 23, we are doing a Gold Star Walk in honor of the families who have lost loved ones in any war. We will walk from Midland Square to the cemetery and back, which is two miles. If we get 125 people signed up, then that would be 250 miles to celebrate 250 years. Everyone is invited. Mr. McClellan said we will officially unveil the battle cross monument at Midland Square that has recently been added and Mayor Rohde will speak. This is a fundraiser for the Veterans and Childs Foundation—a national foundation. Registration for the walk is \$5 and we start at 9 a.m.

- 8. Years of Service Awards
 - a. Teagan Stocks, Fire Department – 5 years of service

Fire Chief Jeff Jarrow read his bio and presented his award. The Council thanked him for his service.

- 9. Proclamation
 - a. Arbor Day – April 24, 2026

Councilman Oyler read the proclamation for the observation of Arbor Day and Mayor Rohde proclaimed it.

- b. Child Abuse Awareness & Presentation—Mary Sue Swift, Wendy Guldewall, Olivia Holland, and Casey Merrell

Ms. Swift said we are with Prevent Child Abuse Utah. We all need to work together to help prevent child abuse. Ms. Holland said I am a resident of Tremonton and am honored to be here. Unfortunately, abuse is part of our community. I am happy to discuss our other events being hold in the future with this proclamation and to be a representative of prevention abuse with our city. Ms. Swift said there are blue pinwheels throughout town that are a representative of a happy childhood. On April 21, at 4 p.m., the library we will

Draft Minutes

hold a family event and pass out resources to help with child abuse prevention and creating kindness rocks. She then read the proclamation proclaiming April as Child Abuse Prevention and Awareness Month. Mayor Rohde signed it and they took pictures.

10. Citizen Engagement

Bill Roosma said I am grateful for the opportunity to attend Citizens Academy with the police department. It was a lot of fun and I hope it continues. I know money is tight and you have a tough road when it comes to the budget. We used to have gun safety in school, but do not have that anymore. It would be nice to have hunter's education in the schools, too. How many of us carry firearms? Not everybody goes into the military or becomes an officer. Education is a good thing. I would like to see a State sponsored class, where your city has lawful use of deadly force training. A two-week course people could pay for. I think training like that should be mandatory for anybody who carries a gun.

Bryan Bollingbroke said I handed out some reports to share with the City. This involves eight different cities. After reviewing the City's fee and payload summaries, it is clear that Tremonton does not have a revenue problem, we have a structural one. The fee report shows we can generate \$2.6 million annually simply by ensuring services pay for themselves. Currently property taxes are subsidizing roughly \$1 million in those services. That should be funded by users and developers benefiting from them. That is not a revenue gap, that is a policy gap. You need to apply the same level of scrutiny to payroll. Everything I found is on transparentutah.gov website for governmental organizations. From a candidacy, our payroll has grown 80% over the last five years, doubling the rate of our population growth. In some departments, costs have exploded by over 500% without a clear public record of authorization. When costs increase at that pace without clear discussion, it raises important questions about processes, priorities, transparency, and long-term sustainability. This is not about questioning the value of City employees, it is about ensuring the growth and staffing and that compensation is deliberate, justified, and aligned with what the community can support. We are asking residents to pay more through fees and taxes. We also have the responsibility to demonstrate the internal growth is being carefully managed and transparently reviewed. The issue is not that we need more money from residents. It is that we need to ensure growth pays for growth and that revenue, collections, and spending are handled with that same discipline and accountability. I ask that you look at these two reports. The revenue is there, we just need to collect it properly and manage it responsibly to avoid further burdens on our taxpayers.

11. Consent Agenda - Any Councilmember may request an item be removed for separate discussion

- a. Approval of minutes – March 3, 2026
- b. Adoption of December 2025, January 2026, & February 2026 Financial Statements & Warrant Registers

This item was move to Strategic Business and will be done this way permanently.

- c. Approval of Resolution No. 26-19 awarding bid for Secondary Water SA9 Expansion

Draft Minutes

Motion by Councilmember Jex to approve the Consent Agenda. Motion seconded by Councilmember Bowcutt. Roll Call Vote: Councilmember Bowcutt - yes, Councilmember Jex - yes, Councilmember Lewis - yes, Councilmember Oyler - yes, Councilmember Westergard - yes. Motion approved.

At this point in time, the Council went over their budget discussion from the Work Session. Mayor Rohde said this is a new tool I am developing, called the Tremonton Connect Data Standard. This will help us get objective data to what is being presented. I wanted you to look at this and tell me what we could do to improve it and make it easier for decisions in the future. We have two departments needing more money than what is standard—fire and police—based on the national benchmark. This is a spreadsheet I put together. This takes all the information that has been given to us from other departments and has their year-to-date actions and budget. This is not going to tell the whole picture, but I think the important thing to look at is what they budgeted for 2026 and what they are asking for in 2027. You can see what percentage of the General Fund is being requested. Most of the other funds have their own budgets. We do transfer in about 14% of our General Fund to making them whole. The Police Department is fully funded through the General Fund. I think we have some ideas to move the police to their own. Last year, it was hard for us to make decisions because everything was thrown at us. I am trying to find an easier way to do this. Coming up with percentages should help. The police are asking for 45.9% of the General Fund and the fire department is asking for 14.1%. They are the two that are over. Our job as a Council and legislative branch is to take care of the financial future of the City. We need to make sure we are building a future. The decisions we make this year will affect the future. We need to start setting goals and working toward getting ourselves whole.

Councilmember Jex said we have to take into account that costs go up for everything. We need to consider other comparisons. I would like to take an honest look at everything. We have had conversations before about being proactive instead of reactive. We will pay hand over fist 10 years down the road with a reactive response. It is going to cost significantly more to let a problem get out of hand. We have to appropriately staff for the rapidly growing population. The reality of the ask is to trim down, but we asked Chief Dustin Cordova for a perfect world scenario and if we had everything to meet that, what would that look like? Now we know where that benchmark is for that ultimate thing and can peel back on it. If we are going to plan for 10 years in the future, we have to include data from more than the ICMA. It has to factor in crime rate and drugs and much more. All these budgets can be trimmed back, but we have to ask ourselves what are we willing to do without. That is part of the calculation, too, not just finance. Yes, we do have financial obligations to residents, but we also have obligations to protect them and make sure they can flush their toilets. Right now, the Police Department does not have the capacity to keep up on the call volume. I believe wholeheartedly in transparency, but I also believe in painting that picture. We had a great experience touring the sewer plant and have a good understanding of what will happen if that plant fails. I 100% trust our department heads to make the decisions they see fit. I just want to make sure we are looking beyond percentages and getting a big glimpse to ensure we are operating efficiently. I believe efficiencies are the thing we should be focusing on as part of the equation. Councilmember Bowcutt said thanks for your insight. I look at things from a different angle. We are all being asked to do more with less in our homes. Nobody is living on the same income they had a few years ago. Times are tough. There are ways we can and should make cuts. Spending going to outside sources has become the norm. I want to see that cut a third because I know we have smart enough people within our own

Draft Minutes

departments. For our building inspections I know we did not pay the former building inspector what we are paying now. I strongly believe we can get someone in house and cut that budget drastically, along with other ways. The reality is we need to tighten our belt. A lot has been pushed down the road. I have sat in these meetings since 2019 and a lot of stuff was not done the way it should have been done. As a city we can do better. We have to work for it and save. Councilmember Westergard said I would love to give these guys the stuff they need, but there is not enough money. We have to have money in our savings, too.

The Council spent time discussing economic opportunities that could be coming their way that would help bring more business and sales tax. Councilmember Lewis said there are things we should definitely be looking at. As departments there are probably savings. I would propose that in the next meeting we get this report pulled up and say, let us go through the exercise of finding \$500,000 and see if you can do it right. The Council discussed ways to bring in more money through business licenses and opportunities that are not being taken by the City. Councilmember Bowcutt said a business license is not meant to be a revenue generating source, but we have services that could use a little bit of a kick. Those getting an income through a business or rentals, we could charge a license for those things. I know a study is being done and am excited to see what they come up with. Mayor Rohde said for a week I went through our finances and came up with a list of 16 different items that I consider waste. They account for almost a million dollars of revenue gain. This is going to make the whole budget cycle so much easier every year for our departments. I am trying to simplify this process. What I am asking for tonight is what direction can you give these managers so they can go back and start to bring this in line? What number do you want to save this year? Councilmember Lewis said about 20% in savings. We should be putting away a million dollars. Mayor Rohde said we are not doing a good job of having grants and there are other things we can do now to start to grow other pieces of the pie and get more revenue. I think we can do this together. Our employees are important and we want to do the right things, but how are we going to do that? Councilmember Westergard said impact fees ought to be what we can legally charge. Councilmember Lewis said with an impact fee, you have to do a study and those are not cheap. As a council, there are too many nuances for us to make these decisions. We need to give the guidance that we cannot spend more than we have, and we have to save for future infrastructure. We also have to consider economics. Our City costs are going up with inflation every year. We do not grow in property tax revenue. The only way we grow is in sales tax revenue. We have clear strategic objectives we are working toward to increase that. The reality is, if we are not adjusting our property tax through Truth and Taxation we will get behind. There are revenues we could obtain and be super aggressive about this year to try to close the gap, but long-term, if our costs are going up and we are not adjusting at the same rate we are punting it to another Council. I am trying to find ways to decrease it. We could become an economic center that is so successful that we actually get rid of property tax, but we are not. Our costs are going up and until that happens, we have to adjust. We can look at our costs this year and find what we need, but then we have to start thinking about next year and adjusting with inflation on a yearly basis. I would rather be a good steward annually. Mayor Rohde asked Manager Nessen to work with department heads to see if they can each find 15% on that bottom line. They will continue this discussion at their next meeting.

12. Strategic Business (Ordinances & Policies)

Draft Minutes

The Council discussed the financial statements and listened to public input. Mr. Roosma asked what the sales tax is in Tremonton. Councilmember Lewis said it is around 6.6%. Mr. Roosma said the sales tax in Yuma, Arizona, where I lived for many years was 9%. The way inflation is going it is scary how much more things cost now than they did. I put money down on my house in November of 2020. I got in before the interest rates went stupid and I feel for young people. Mayor Rohde said we do have a rap tax that can be added to the sales tax for recreation. It is very minimal, but those tools are available to us. There is also a tax on entertainment and hotels. Councilmember Lewis said we do want to be careful with which of those levers we pull. People will actually come from out of town to buy vehicles because the sales tax is lower, and they save a bunch on what they pay elsewhere. That does bring a lot of revenue to the City. Mr. Roosma said when I was in Yuma, I was a member of the gun club. We had all kinds of events and I ran a raffle. Maybe we could raise money for the police department through a raffle of some sort.

Mr. Bollingbroke said this shows averages and pretty much on all of them (impact fees, building permits, business licenses, etc.) Tremonton sits in the bottom out of nine cities. As far as what I could tell, we are justified to raise them. We do need to get that studied because I think we have not collected any of the money we should have for years. We have not adjusted impact fees at all. We have been building over 100 homes in Tremonton every year for the last three to five years. We are also way down on building fees. We have not looked at these fees forever. Same with business licenses. We are not collecting what we could. That is all easy money and low-hanging fruit. Just looking at the numbers I can tell you what is going on. Most of this money is restricted funds, which could be for your roads, sewer, and water. It would definitely help the sewer department. There is flexibility in these other and you still have roughly \$2.6 million.

Motion by Councilmember Bowcutt to approve the Financial Statements. Motion seconded by Councilmember Lewis. Vote: Councilmember Bowcutt - yes, Councilmember Jex - yes, Councilmember Lewis - yes, Councilmember Oyler - yes, Councilmember Westergard - yes. Motion approved.

13. Reports and Calendar
 - a. City Manager Report
 - b. Upcoming Calendar Items

Mayor Rohde said literacy night is on April 20 and the Slothathon will be at Jeanie Stevens on April 30, at 7:30 p.m. Spring cleanup will be May 6-8. Stamp out Hunger Food Drive is May 9 and the library's Summer Reading Kickoff Party is May 29. We also have the ULCT training April 22. We will not have City Council that week. Manager Nessen said the first meeting in May is when the tentative budget discussion will happen.

The Council then moved into a closed meeting to discussion real property and the character of an individual.

Motion by Councilmember Lewis to move into Closed Meeting. Motion seconded by Councilmember Oyler. Vote: Councilmember Bowcutt - yes, Councilmember Jex - yes, Councilmember Lewis - yes, Councilmember Oyler - yes, Councilmember Westergard - yes.

Draft Minutes

Motion approved.

The Council moved into a closed meeting at 8:43 p.m.

14. **CLOSED MEETING:**

- a. Strategy session to discuss the purchase of real property when public discussion of the transaction would disclose the appraisal or estimated value of the property under consideration or prevent the public body from completing the transaction on the best possible terms; and/or*
- b. Strategy session to discuss the character, professional competence or physical or mental health of an individual; and/or*
- c. Strategy sessions to discuss pending or reasonably imminent litigation; and/or*
- d. Discussions regarding security personnel, devices or systems*

Motion by Councilmember Westergard to return to open meeting. Motion seconded by Councilmember Oyler. Vote: Councilmember Bowcutt - yes, Councilmember Jex - yes, Councilmember Lewis - yes, Councilmember Oyler - yes, Councilmember Westergard - yes. Motion approved.

The Council returned to open session at 9:13 p.m.

15. **Adjournment.**

Motion by Councilmember Oyler to adjourn the meeting. Motion seconded by Councilmember Westergard. Vote: Councilmember Bowcutt - yes, Councilmember Jex - yes, Councilmember Lewis - yes, Councilmember Oyler - yes, Councilmember Westergard - yes. Motion approved.

The meeting adjourned at 9:13 p.m.

The undersigned duly acting and appointed Recorder for Tremonton City Corporation hereby certifies that the foregoing is a true and correct copy of the minutes for the City Council Meeting held on the above referenced date. Minutes were prepared by Jessica Tanner.

Dated this _____ day of _____, 2026.

Cynthia Nelson, City Recorder
